DISCOVER THE *Somerville*

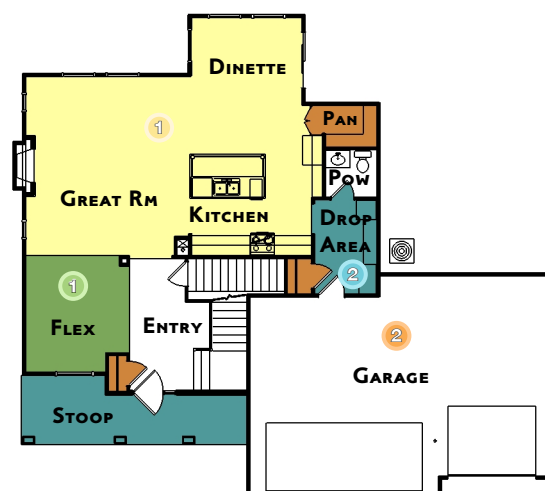

Total 2451 Square Feet

De-Stressing

- 1 Spacious master suite with raised ceiling, secluded from other bedrooms** becomes your own private oasis to regroup from your busy and demanding life.
- **Boasting a walk in shower, two sinks, and a private water closet** the master bath provides a comforting and relaxing atmosphere.
- 2 Bench with coat hooks and cabinets** make a smooth transition into the home, and a clutter busting way to store shoes, coats, and umbrellas; while offering a place for keys and cell phones too!
- **Loaded with luxury!** Elegant two story grand entry.

Entertaining

- **Welcoming covered porch.** Plenty of room for the bistrow set or the rocking chairs you always dreamt of.
- 1 Open floor plan** ensures that no one is cutoff from any of the action - the warmth of the fireplace or the release of 10' dinette ceilings.
- **Numerous uses for this spacious lower level.** How do you want your home to live? If you can imagine it, we can help you make it a reality. A family room ... game room ... home theater, or additional bedrooms. The possibilities are endless!

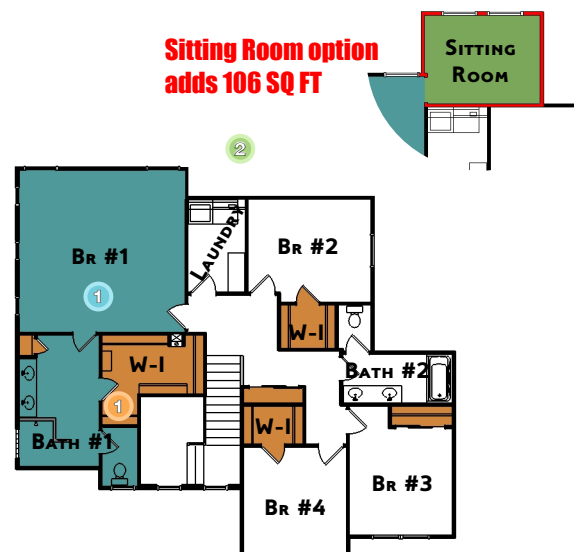

Storing

- **Hidden walk-in pantry** ensures plenty of storage for prepared foods, baking needs and small appliances.
- 1 Walk-in closet in master suite** offers a lot of hanging space and stacks of shelves, to helping keep your clothes and your life organized. Don't forget to ask about closet maximization systems.
- **Loads of linen storage!** Separate linen closet for the master bath, one near the main bath ... and two coat closets down stairs.
- 2 Roomy, 3-car garage affords extra storage.** From camping gear to garden tools and automotive supplies, you're sure to appreciate the storage afforded by this home's garage.

Flexible Living

- 1 Option the flex room as a home office** or den or library, it can even be used as a formal dining room!
- 2 Choose the sitting room option,** to add more space to your private retreat. (adds 106 finished SQ FT)

**Sitting Room option
adds 106 SQ FT**
