De-Stressing

1 Generous master suite with sloped ceiling feels open and airy and becomes a wonderful place to retreat from your busy life.
- With two sinks, a private water closet, and custom shower ... you will greet the day refreshed and ready.

De-Stressing

2 Bench with coat hooks and cabinets an easy transition into the home, keeps all the clutter off the dining room table and the kitchen counters.
- Second level laundry ... conveniently located, no more dragging laundry upstairs.

Entertaining

- Covered porch gets visitors out of the rain.

1 Open floor plan connects the kitchen and dinette with the huge great room, making for really increased capacity and no one feels left out of the action.

- If you can overflow the house, extend the fun to the outdoors, the vast 14'x14' patio is a perfect place to BBQ or just chill.
- Plenty of space down-stairs for a home-theater ... can you say 'GAME DAY'!

Storing

- Kitchen pantry allows space for baking supplies, prepared foods, and storage for all of your small appliances.

1 His and her walk-in closets in the master suite offer lots of hanging space, helping keep your clothes-and you life organized. Be sure to ask about the available designer closet systems.

- Large linen closets provide all the storage needed for extra sheets, blankets, and towels.
- Big 3-car garage for all of your land and garden tools, camping and sports gear.
2 Walk-in closets in every secondary bedrooms means there are no excuses for the kids to have messy rooms.

Flexible Living

1 Numerous uses for the flex area ... use it for a home office, den or even library.

- Decide how to use the huge lower level. If you can imagine it, we can help you make it a reality. A family room...game room... additional bedrooms. Oh the possibilities!
