De-Stressing

- **16'x12' rear patio** connects you with nature's beauty and serenity.
 - **Walk in shower, two sinks, a private water closet, and linen closet** make this a great master bathroom.
 - **Compartmented upstairs bath** facilitates the rush to get the family off to work and school on busy mornings.
 - **Conveniently located laundry** upstairs.
 - **3rd bathroom** off bedroom #2.
- 1 Bench with coat hooks and cabinets** make a smooth transition into the home, and a clutter busting way to store shoes, coats, and umbrellas; while offering a place for keys and cell phones too!
 - 2 Spacious master suite with sitting area, secluded from other bedrooms** becomes your own private oasis to regroup from your busy and demanding life.

Entertaining

- **Welcoming covered porch.** Plenty of room for the bistro set or the rocking chairs you always dreamt of.
 - **Numerous uses for this spacious lower level.** How do you want your home to live? If you can imagine it, we can help you make it a reality. A family room ... game room ... home theater, or additional bedrooms. The possibilities are endless!
- 1 Open floor plan** ensures that no one is cutoff from any of the action - the warmth of the fireplace or the relaxing view through your windows.

Storing

- **Hidden walk-in pantry** ensures plenty of storage for prepared foods, baking needs and small appliances.
 - **Walk-in closets** in every secondary bedroom ensure that there is plenty of space for everything!
 - **Roomy, 3-car garage affords extra storage.** From camping gear to garden tools and automotive supplies, you're sure to appreciate the storage afforded by this home's garage.
- 1 Walk-in closet in master suite** offers a lot of hanging space and stacks of shelves, to helping keep your clothes and your life organized. Don't forget to ask about closet maximization systems.
 - 2 Loads of linen storage!** Separate linen closet for the master bath, and another at the top of the stairs.

Flexible Living

- 1 All that open space** in the great room ... gives you flexibility to reconfigure for use as a library or formal dining room!
 - 2 Guests, older children, or boomerangs you decide how to use bedroom #2.**
- **Office** behind the garage has unlimited uses ... den, guests, media ... you choose.
