- De-Stressing

#### De-Stressing

- 1 Spacious master suite is secluded** from other bedrooms, becomes your serene retreat to relax and rejuvenate.  
- **Boasting a doorless walk-in shower, two sinks and a private water closet,** the master bath restores and recharges.
- 2** Make a smooth transition, from the office or yard, with this rear foyer. **A bench with coat hooks and cabinets** rein in the clutter, with storage for shoes and coats, a place for keys and cell phones - and plenty of space!

#### Entertaining

- 1 Open floor plan** ensures everyone can be a part of the action.  
- **10'-high ceiling in great room!** Making for exciting and memorable socializing.
- **Extend your entertaining options outdoors** with a deck or patio.
- **Split bedroom design** ensures maximum separation for bedrooms. If you happen to be a night owl, or love to stay up and talk, others enjoy privacy and rest.

#### Storing

- **Walk-in pantry** is hidden behind a wall of cabinets, and keeps bulk foods, baking needs and small appliances out of site.
- **Linen closet in the master suite bathroom plus another in bathroom 2** provide plenty of room for extra sheets, blankets, towels and soaps.
- 1 Walk-in closet in Bedroom #1** can best be described as 'huge!' Tons of hanging space and a stack of shelves, help keep your clothes and your life organized. Imagine what the available closet maximization systems. could do!
- 2 Roomy, 3-car garage affords extra storage.** From camping gear to garden tools and automotive supplies, you're sure to appreciate the storage afforded by this home's garage.

#### Flexible Living

- 1 Numerous options for front bedroom** Bedroom 2 could easily be a den or library. Or even a private home office.
- **Numerous uses for this spacious lower level.** If you can imagine it, we can help you make it a reality. A family room ... man cave ... cocktail bar ... home theater, or just additional bedrooms. Possibilities abound!
